I am a bilingual, licensed Realtor in Missouri and Arkansas. With 10 years of experience I am ready to help Buyers and Sellers. Everything I touch turns to sold! Keeping the American dream alive!

What is the most important line of communication between the Seller and the Buyer? Your REALTOR!

I recognize the importance of home ownership. We don't just sell houses. We help you find where dreams are made, where family traditions are carried on, building stronger families. Our community is built on dreams that have come true like our business. Teamwork from a team that works, we also offer Free Real estate education and resources for potential buyers and sellers. With a tradition of trust, your property is our priority! I'm your realtor, Welcome home.

Ofrecer una variedad de servicios sobre bienes raíces dirigidas especialmente a la comunidad Latina que prefiere comunicarse en Español. Aquí podrás encontrar casas en venta, programas hipotecarios que benefician a primeros compradores, artículos y consejos todos en tu idioma pero lo más importante es que puedes contar con los servicios de un Agente en tu Idioma.
