

START THE NEW YEAR WITH PLANS FOR LAKE TIME!

This beautiful 2BR, 2BA, log-sided lake cabin is located on a prime spot with a wonderful lake view & newer, more expensive homes around it. Owners added a really nice kitchen/dining addition with solid surface countertops, a cathedral ceiling & lots of windows for tons of light! Light colored laminate flooring throughout for easy care! Both BAs have been tastefully updated as well. The property comes with it's own private, single-slip boat

dock, upgraded with a lift & extended roof line to accommodate a pontoon boat. Most of the home furnishings are included as well, so it is ready to go, & all you have to bring is your fishing pole! #60121652. \$222,500.
