CATTLE/GRASS FARMS FOR SALE

WEBSTER COUNTY

483 ACRES - \$1,690,500

High Prairie Farm is a highly productive ranch in an excellent location. It is a top-shelf cattle ground property that has been well managed and improved. Property is currently under a custom farming practice with a crop rotation of corn and rye providing excellent silage for their cattle program. The farm is currently running 368 yearlings and 146 mother cows. Excellent road frontage makes shipping and working the farm easy. A rare farm offering in the most desirable part of Southwest Missouri, so don't let this legacy property slip by. Please read detailed bullet points attached on farm particulars. Conveyed with all mineral rights owned and hunting rights. Located in a great whitetail hunting area. Call me direct to see this high production property.

LACLEDE COUNTY

418 ACRES - \$969,525

PRICE REDUCED!! Smith Creek Ranch is a full-time operator's or gentleman's cattle operation. From the magnificent ridge top views overlooking the cattle as they graze to the hayfields and over 350 acres of pasture ground, this ranch reflects the American dream of land ownership. The property is set up for rotational grazing with seven pastures and all have live water or automatic waters. The well-built three bedroom home can be a permanent residence or just a weekend getaway. The home was designed with simplicity and efficient furnishings to finish off this dream property. Call to schedule your private showing. Remember, buy land; they're not making it anymore.

CHRISTIAN COUNTY

263 ACRES - \$683,400

PRICE REDUCED!! The Double Ridge farm is made up of large wooded draws and open pasture areas with live water, a pond and springs. Property is fenced for cattle and lies just 10 minutes from Branson on a well-maintained blacktop road. Morel mushrooms are plentiful throughout the property in the spring. Double Ridge farm is surrounded by timber tracts making the deer and turkey hunting top shelf. Whether you are looking for an incredible hunting retreat, cattle property or a beautiful home site in the country, this place has it all, and the price is reasonable. Great place to build your home, raise your family or just retire. Call me today to schedule your very own private showing. Don't miss the opportunity to own this great Southwest Missouri property.

LACLEDE COUNTY

670 ACRES - \$1,135,650

Blue Water Ranch is located in South Central Missouri and is surrounded by large timber and pasture tracts. In a very secluded area with views that are absolutely stunning. Wildlife is abundant providing great deer and turkey hunting, including numerous whitetail scoring over 150" being harvested. Gentle rolling terrain with approx. 300 acres of cattle pasture, hay ground and awesome river bottom along the Niangua River. Remainder of the property is in mature hardwoods and trails. Water on the property consists of a large natural spring, spring branch, river and ponds, two of which are spring fed, and automatic waterers that are hooked up to the water well for livestock. Fenced and cross fenced with steel posts and barbed wire. Good set of corrals and loading area. On a blacktop road. The main barn is 40' x 40', plus there is a smaller barn that is 20' x 40'. This ranch has the potential as a cattle ranch, hunting ranch or river retreat.

WRIGHT COUNTY

408 ACRES - \$938,400

Three Bar Farm is truly the property of a lifetime, offering beauty and seclusion as well as a solid financial opportunity as a owner/operator, cash rent and land appreciation on pasture/bottom ground properties. It is located approximately 16 miles east of Marshfield in Southwest Missouri. The property consists of slightly rolling hillside with level creek bottoms. Approximately 85% of the land is open with a quality stand of fescue and native clovers. The farm has good fencing and cross-fencing, two corrals, working facilities, scales. The live water creek runs along the entire property with approximately 3/4 mile of frontage and several holes where fish are found. Wildlife is abundant at the farm where the giant whitetail deer never have to leave the property with the bedding thickets, ridge tops and bottoms giving them amazing habitat. It is very rare to find a property that has this much huntability that only Mother Nature could create. Give me a call to set up a private showing of this dream property.

OZARK COUNTY

187 ACRES - \$399,999

Vista Ranch is a full-time operator's or gentleman's cattle operation surrounded by national forest. From the magnificent ridge top views overlooking the cattle as they graze to the hayfields and over 1/2 mile of creek frontage, this ranch reflects the American dream of land ownership. The property is set up for rotational grazing with six pastures. The well built three-bedroom home can be a permanent residence or a weekend getaway. The home was designed with simplicity and efficient furnishings to finish off this dream property. Hunting is outstanding with many 140-160 inch bucks harvested. This is a top shelf property. Call to schedule your private showing. Remember, buy land; they're not making it anymore.

STONE COUNTY

313 ACRES - \$1,095,500

Beautiful farm located just west of Springfield. Very diverse, and properties in this location do not come up for sale very often! Made up of open land that consists of hay production and pasture, and there is a beautiful bottom field along the creek that could be utilized for row crop production for corn, beans or alfalfa. Along with the farming and cattle opportunities this farm provides, the balance of the farm is in timber, providing excellent hunting for whitetails, turkeys and other wildlife. Huntability and quality of deer on this property is second to none. Farm has over 1 mile of blacktop frontage, plenty of locations to build, and very scenic views! This farm has it all!

WRIGHT COUNTY

300 ACRES - \$799,998

Cool Mountain Springs Farm is rustic seclusion at its best on rolling pasture and bottom ground farmland. This is truly the property of a lifetime, offering natural beauty and a peaceful setting as well as a solid financial opportunity with the cash rent and land appreciation on river frontage and bottom ground properties. It is located approximately 25 miles north of Mt. Grove on the Gasconade River in Southwest Missouri. The property consists of slightly rolling hillside with level river bottoms. There are several springs on the property and one year-round spring-fed tributary creek in addition to 9 ponds. Improvements include a well-built 1,600 square foot home that has been recently updated and boasts stunning views from the front porch. Outbuildings consist of a large equipment barn, covered working cattle facilities and a shop with wash rack.
